Don't see your favorite game? Request to add it to our site

Option 2: Sorting through games

Staying on the Browsing Page

There should be a list of options that allows you to sort and filter by **name, platform, and price**. When you fill out any of the filters, click on **GO**.

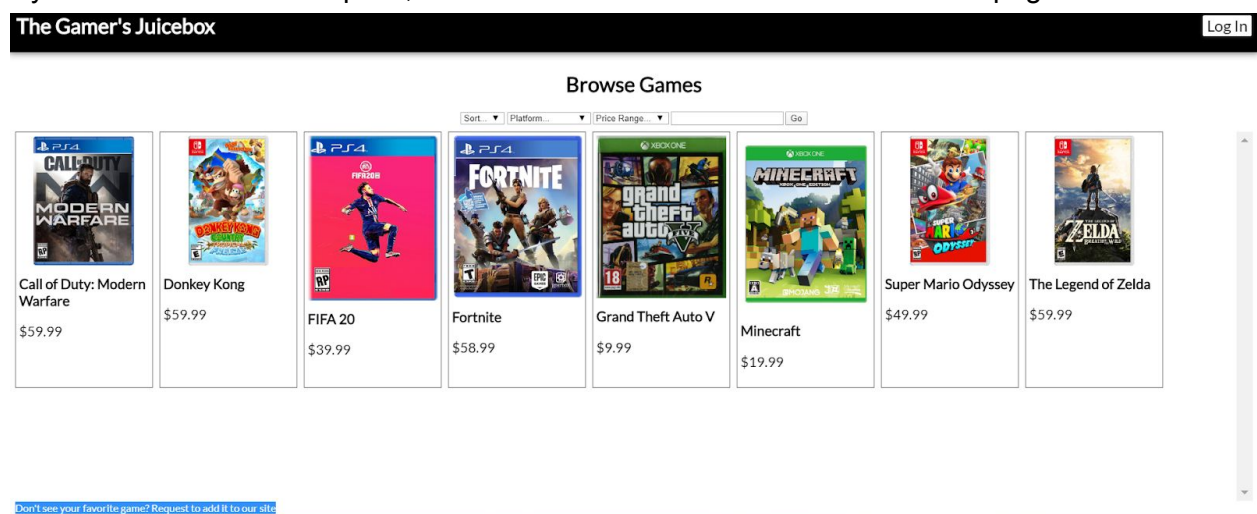

Option 3: Submitting requests

You must be logged in to submit requests.

Login to your account. If you do not have one, go ahead and create an account.

Staying On the Browsing page

If you want to submit a request, there is a link to do so on the **bottom** of the page.

Once you get the form, fill it out and hit **Submit**.
